FOR IMMEDIATE RELEASE

Horizon Global and TriMotive Americas to Sponsor 2017 Chevrolet Detroit Grand Prix Presented by Lear

PLYMOUTH, Mich., (May 18, 2017) – Horizon Global (NYSE:HZN) and its OEM division, TriMotive™ Americas, are partner sponsors of the 2017 Chevrolet Detroit Grand Prix presented by Lear.

The event scheduled June 2-4 at The Raceway at Belle Isle Park road course features seven races from four series: the Chevrolet Dual in Detroit IndyCar doubleheader; the Chevrolet Sports Car Classic with the IMSA WeatherTech SportsCar Championship; the SPEED Energy Stadium SUPER Trucks; and the Trans Am Series presented by Pirelli.

“Though we are a global company, our roots are based in Metro Detroit, so we are quite proud to be among the sponsors once again for this hometown event,” said Mike Sislo, TriMotive vice president and general manager. “Being involved in the Detroit Grand Prix is also a great way to be involved in the community and to build relationships further with customers in the automotive industry.”

Gates open for the event 7:30 a.m. EST Friday and Saturday, and 8 a.m. EST Sunday. In addition to racing, the Grand Prix will feature activities throughout the Meijer Fan Zone. National and local bands will perform on the MotorCity Casino Hotel Entertainment Stage, and fans will have the opportunity to enjoy extreme sports demonstrations, interactive displays and games, and meet current and former Detroit star athletes. There will even be autograph sessions and interviews with the Grand Prix drivers. For more information, visit www.DetroitGP.com.

About TriMotive™. TriMotive is the industry’s largest manufacturer of OE towing and trailering products. Each product is engineered and tested to meet and often exceed the industry’s highest standards. Products include many structural, electrical, and cargo management systems with a focus on vehicle-specific trailer hitches, electric trailer brake controls, cross members, fifth wheel hitches, gooseneck hitches, weight distribution systems, custom-designed and standard electrical harnesses.
