HORIZON GLOBAL BRANDS TO TAKE PART IN TRAINING EVENT

PLYMOUTH, Mich. (February 09, 2018) – Reese®, Tekonsha®, and BULLDOG® – three of the leading brands in the RV industry - are participating in a training event, sponsored by the Pennsylvania Recreation Vehicle and Camping Association (PRVCA). Keller Marine and RV is hosting the event at its corporate headquarters in Port Trevorton, Penn.

The training will focus on a myriad of products from the premium brands, from the well-known Reese Sidewinder/Revolution pin boxes and highly-acclaimed Goose Box™ to the Steadi-Flex weight distribution with sway control and the all new M5 fifth wheel hitch. Those in attendance will also learn about the Tekonsha ZCI™ powered trailer light module and Prodigy RF brake control, as well as the Dual Landing Gear and Powered A-Frame Jacks from BULLDOG.

“This day-long event is a great way for us to educate technicians about the features of our products and the tips they can pass along as selling points to their customers,” said Tom Romero, director of education and technical content at Horizon. “This seminar is also approved by the Recreational Vehicle Dealers Association (RVDA) and the Recreational Vehicle Industry Association (RVIA), meaning the technicians that attend can count their time in class toward the required continuing education recertification hours they all need every five years, so it’s a win-win all around.”

The one day event will be held from 8am to 5pm in the Keller Training Room. The session – valued at \$300 – is free to PRVCA members. Registration is required by February 14th. For more information or to sign up for the seminar, contact Megan McClain via phone at 888-303-2887 or via email at megan@prvca.org.

About BULLDOG®.

BULLDOG® gooseneck hitches, gooseneck couplers, trailer couplers and wedge-latch elements feature a high-strength, heavy-duty design that makes them the most Tough and Trusted trailer components available today. Since 1920, the BULLDOG brand has been the choice of military and manufacturers everywhere. BULLDOG jacks, in particular, are built with uncompromising strength and materials engineered to hold up under rigorous working conditions. The secret to success is having equipment you can count on and Bulldog is the perfect choice where trailering is concerned. For more information, visit <http://www.bulldogproducts.net>.

About Reese®.

Reese® is the leader in heavy-duty towing and trailering, with a complete line of fifth wheel hitches, pin boxes, weight distribution systems, and sway control solutions. Reese has been recognized as an innovator in the towing industry since 1952. The Reese brand is a division of Horizon Global. For more information, visit <http://www.reeseprod.com/>.

About Tekonsha®

Intelligent trailer braking is the key to the success of the Tekonsha product line. What began as a manufacturer of RV stairs and steps in 1964, Tekonsha has evolved to become a trusted name in towing safety. The core product line consists of brake controllers, electrical wiring, and trailer brakes. For more information, visit <http://www.tekonsha.com>.
