Related to this announcement, Horizon Global has adjourned its 2018 Annual Meeting of Stockholders previously scheduled for Tuesday, May 8, 2018. "Carl has extensive knowledge of our products, customers and suppliers, as well as the overall industry. His experience running each of our three divisions, coupled with a long track record of achievement in manufacturing and operations, make him an excellent fit to lead Horizon Global during this period. Under his leadership, we are confident that the Company will continue to make progress, improving efficiency and productivity and reinforcing the broad appeal of our successful brands in key geographies worldwide, to drive improved profitability and increased value for our shareholders."

Ilitch concluded, "We thank Mark for his many contributions to Horizon Global over the past several years. We wish him well in his future endeavors."

In a related move, James Tindell will become Interim President of the Americas, in addition to his role as Divisional Finance Officer.
